CHARLES S. DENNISON, BOSTON
VICE PRESIDENT
PRESTON POND, BOSTON

The American Numismatic Society,
Broadway & 156th Street,
New York City.

Gentlemen:

In reference to special boxes wanted, as per conversation of Saturday last, we regret to say that it would be impossible for us to take the order now. Our factory is working overtime on regular jewelry box orders and therefore cannot attempt special work.

We are, however, in a position to execute promptly orders for tags and gummed labels and will be glad to fill orders of that kind at any time.

We herewith return the samples.

Yours very truly,

Dennison Manufacturing Co.,

Dear Sir:-

Have you anything in the way of a reinforced envelope similar to the accompanying one? I want about a dozen for immediate use - could not wait to have them made. One or two sizes larger would still be suitable.

Secretary.

The Secretary,
American Numismatic Society,
156th Street and Broadway,
New York City.

Dear Sir:

In a recent letter received from Mr. Antonio Villoldo Roca, President of the "Numismatic Section" of the Philatelic Association of Barcelona, Spain, this gentleman has requested me to place his name before other people who may be interested in numismatics. I take pleasure in placing his name before you, therefore, and would request of you the courtesy of your placing same before your members so that any of them who may be interested in securing some choice Spanish Series items may be enabled to communicate with this gentleman. I am giving you his address, as follows:

(*) Sr. Antonio Villoldo Roca,
Presidente, de la Sección de Numismática,
Sociedad de Filatelistas,
Barcelona, España.

As, most likely, correspondence with this gentleman should be in Spanish, if any of your members wish to communicate with him and they have no facilities for corresponding in Spanish, I should be glad to offer any such parties my services in this connection without any obligation whatever on their part; that is, I should be glad to be of assistance to them purely as a matter of courtesy, and without seeking any remuneration whatever.

Likewise, if that Society should ever desire any information from the above mentioned Spanish Association, I should be glad to be of assistance in that connection, and beg you not to hesitate in advising me.

Thanking you in anticipation of your kind attention to my above requests, I beg to remain, dear sir,

Very truly yours,
J. B. Rios

Gentlemen:-

On July 13th we sent you a carton of gummed labels, the value of which was just \$1.00.

We asked you please to send the money to cover to our New York Store, 220 Fifth Avenue. No response having been made to our request, we sent a duplicate memorandum invoice stamped "Duplicate Invoice. Second request. Please remit to New York Store."

We are still without the dollar which is due us. It is a trifling matter and annoying to have to carry along as an open transaction. Won't you please mail the amount due immediately upon receipt of this note so that we may close up our records.

Very truly yours,

Gentlemen: Attention of Manager

Your favor of August 30th at hand and I am sorry that there has been any mixup on that small order for a dollar that we got on July 13th.

We returned three boxes of these labels and got a credit memorandum, apparently from Framingham, Mass. for 60 cents, dated "8/5/27 D4". On August 8th we mailed to your Fifth Avenue address 40 cents in stamps together with your duplicate invoice and we supposed that the transaction was closed. Let us know at once if you did not receive these stamps and the invoice.

Very truly yours,

Curator
